EL EVANGELIO DE HOY

El evangelio de hoy completa el cuadro del ministerio de Jesús: predicar, curar a los enfermos, expulsar demonios y luego continuar esta obra en otro lugar. El Evangelio de Marcos nos dice que Jesús hizo esto por toda Galilea.

La compasión de Jesús y la curación de los enfermos es un signo del Reino de Dios. La Iglesia continúa extendiendo la presencia sanadora de Cristo a otros en su ministerio a los enfermos. En el Sacramento de la Unción de los Enfermos, la Iglesia ora por la curación física y espiritual, el perdón de los pecados y el consuelo de quienes sufren enfermedades.

TODAY'S GOSPEL

Today's Gospel completes a picture of Jesus' ministry: preaching, curing the sick, driving out demons, and then moving on to continue this work in another place. Mark's Gospel tells us that Jesus did this throughout Galilee.

Jesus' compassion and healing of the sick is a sign of the Kingdom of God. The Church continues to extend Christ's healing presence to others in its ministry to the sick. In the Sacrament of the Anointing of the Sick, the Church prays for spiritual and physical healing, forgiveness of sins, and comfort for those who are suffering from illness.
